

Muddy water blues (E)

Paul Rodgers

Walking alone in the rain,
water in my shoes.
All I can feel is this pain in my heart
and this Muddy Water Blues.

River weep for me,
nothing left to loose,
under the weeping willow tree
with these Muddy Water Blues. (sing it now)

(chœur)
Muddy Water Blues
Muddy Water Blues
Muddy Water Blues
Uh, turns me to loose.

Please give me some shelter,
that's something I can use.
Way down here in the Delta
with these Muddy Water Blues.

Women and Whiskey will frame you,
it's no good looking for clues.
You got them, who can blame you,
Muddy Water Blues.

(chœur)
Muddy Water Blues
Muddy Water Blues
Muddy Water Blues
Uh, turns me to loose.
Yeah, yeah, yeah.

Try to get free from you, Baby,
oh, but I'm stuck like glue.
Try to get free from you, Baby,
and these Muddy Water Blues.

(chœur)
Uh, uh, uh, Muddy Water Blues.
Uh, uh, uh, Muddy Water Blues.
Uh, uh, uh, Muddy Water Blues.
