

Talk to your daughter (C)

JB Lenoir

Mama, mama please talk to your daughter 'bout me
 Mama, mama please talk to your daughter 'bout me
 She made me love her and I ain't gonna leave her be

You should talk to your daughter (talk, talk)
 You should talk to your daughter (talk, talk)
 You should talk to your daughter (talk, talk)
 You should talk to your daughter (talk, talk)
 She made me love her and I ain't gonna leave her be

I ain't gonna stand no quitting and she won't have me around
 I ain't gonna stand no quitting and she won't have me around
 If she got me a ride, she'd be six feet in the ground
