

Gonna Hurt Like Hell (C)

Walter Trout

Watch what you're doin', believe you know damn well
 Watch what you're doin', I believe you know damn well
 You make me feel good for just a minute
 But then it's gonna hurt like hell

I been there before, and I got stories I can tell
 I been there myself, I got stories I can tell
 You make me feel good for just a minute
 Then it's gonna hurt like hell, whoa yeah

Don't you go buy what they're tryin' to sell
 I said, don't you go buy what they're tryin' to sell
 You feel good for just a minute
 Then it's gonna hurt like hell, hurt like hell
